1/2
LUCY/KENDRA SCENE [Pages 22-23]

KENDRA

All right, what?

LUCY

About Brett...

KENDRA

I know! Even my priest thinks he's hot. Before I left for Prayer camp he gave me the mouth guard off his football helmet. It was getting serious.

LUCY

Okay, so that's a problem. You need to know what was going on while you were at God camp.

KENDRA

Like what?

LUCY

Like Brett taking me to Olive Garden. Like Sunday mass with his parents. Like iChatting with his shirt off.

KENDRA

You know, lying's a sin.

LUCY

Oh yeah? His chest is now my screen saver.

She shows KENDRA her phone.

KENDRA

So did you two do the tongue?

LUCY

The tongue?

KENDRA

The Tongue. You know the rule.

LUCY

Of course I know the rule. If you didn't do the tongue, you're not really going out.

KENDRA

That's the rule. So?

LUCY/KENDRA # 1

LUCY

(Cornered.) No. We didn't do the tongue.

KENDRA

Ahah!

LUCY

Shut up! We were THIS CLOSE! I ran out of Mentos.

KENDRA

Oh my God, that's why he asked me to go to the movie! He's always wanted to do the tongue with me, so that's why he didn't with you. He was saving it.

LUCY

Stop it! You left. You gave up your rights. And besides, you could go out with anyone.

KENDRA

So could you!

LUCY

Shut up, I'm fat.

KENDRA

Not everywhere. You're hot!

LUCY

Shut up! I know.

STOP

KENDRA

So did you two do the tongue?

LUCY

The tongue?

KENDRA

The Tongue. You know the rule.

LUCY

Of course I know the rule. If you didn't do the tongue, you're not really going out.

KENDRA

That's the rule. So?
