

**BRING IT ON -
Campbell's Room**

Campbell is with Eva, Kylar and Skylar. Skylar files her nails idly.

CAMPBELL
Oh my God.

EVA
What's the matter?

CAMPBELL
This letter came for me -- it can't be possible.

SKYLAR
What are you talking about? (reading the letter, over Campbell's shoulder:) "Dear Campbell Davis, due to the redist -- redist --"
Sorry, that's a big word.

CAMPBELL
"Redistricting --"

SKYLAR
You know I'm not a reader.

CAMPBELL (snatches the letter, hands it to Eva) YOU read it!

EVA
"Due to the redistricting of school district lines in District Seven, we wish to inform you that based on your home address, you are hereby reassigned to Jackson High School for the upcoming school year."

KYLAR
Jackson High School?

CAMPBELL
School starts in two weeks! This can't be real.

EVA

What does this mean?

CAMPBELL

Well, Eva, you live right next door -- so this means, if this is true, which it could not possibly be, but if it did happen to be true, which it is not, then that means -- we're going to Jackson next year. And Skylar's the captain. But that's not happening! It's not!

EVA (meekly)

I got a letter today that says I'm going back to Truman.

CAMPBELL

You did? Well, see? A mistake!

SKYLAR

Good thing. That Jackson school is scary as S-H on the I-T.

KYLAR

They don't even have a cheerleading squad.

SKYLAR

No cheerleading squad? What's the point of having a SCHOOL?

KYLAR (ominously)

The legend is that twenty years ago, the Jackson cheerleaders started a schoolwide riot, held a gaggle of cafeteria ladies in a three-day hostage stand-off, and burned an entire cemetery right to the ground. And lo, the Jackson High School cheerleading program was cancelled until the End of Days.

SKYLAR AND EVA (awed)

Wow.

SKYLAR (to Campbell)

You're screwed.

CAMPBELL

Well, there's ONE way to find out what's going on -- We'll just Google "redistricting" and "unfair" and "school district lines"...
